CLEAN THE WORLD

GREEN INITIATIVE

Clean the World provides all of the guidance and materials so attendees can recycle and/or build hygiene kits and donate them to local organizations.

The Hard Rock brand continues to live up to its “Save the Planet” creed as participating Hard Rock Hotels implement the immediate collection and donation of recycled hotel soap and bottled in-room amenities such as shampoo, conditioner, body wash and lotion, to help fight the global spread of preventable diseases through the

distribution of sanitized hygiene kits crafted with these recycled materials.

This hands-on program allows meeting professionals and event planners to incorporate an eco-friendly exercise that promotes team building and cooperation while giving back to impoverished individuals and communities.

REVEAL

— BY HARD ROCK™ —

REVERB

— BY HARD ROCK™ —

For over 50 years, Hard Rock has been one of the most universally recognized brands around the world; a brand that stands out and elevates the hospitality experience.

Hard Rock Hotels are places to worship the gods of music and REVERB is his tech-savvy sibling. It's a new Hotel concept inspired by music and the understanding that everyone and every town has their own playlist.

MUSIC MAKES YOU FEEL GOOD
AND BRINGS PEOPLE TOGETHER...

The first of its kind, REVERB Downtown Atlanta is Hard Rock's cool and contemporary hotel that moves to the rhythm of the city it calls home. All 195 rooms are tech-enhanced for your comfort, with premium plush beds, spa inspired bathrooms, and smart features like voice-assisted lighting, TV and music control. For bigger bands and family clans, book the oversized roadie rooms featuring 3 queen bunk beds (6 beds, sleeps 10). Explore our flexible co-working space that has all you could ask for, including fast & free wifi, or reserve REVERB Radio and take the “bored” out of boardroom. Self check-in means nothing gets in the way of your group's opening act, be it business or pleasure. The lobby is home to Constant Grind, your cafe by day and local bar by night, or head up to RT60, the awe-inspiring indoor/outdoor rooftop bar overlooking the Mercedes-Benz Stadium. Once your group has checked in, they'll want to get out and explore the neighborhood. So check out our city guide to find out what's what and what's where.

OUR ROOTS

In 1971, two shaggy-haired Yanks opened an American diner in an old Rolls Royce dealership in London. It had nothing to do with market studies or target audiences. It didn't even have anything to do with memorabilia. That was just a goof: Clapton wants to save his favorite table - sure, we'll put the guitar on the wall. For more than 50 years, we've been saving tables for our musician friends & millions upon millions of their fans at Hard Rock's many Cafes and unique Hotels located worldwide.

LIVING OUR MOTTOS

While music is the heart of Hard Rock, philanthropy is its soul, and Hard Rock International is committed to making a difference through a wide variety of philanthropic causes and activities. For over 50 years, Hard Rock International has made it both its business and its abiding passion to make the earth a safer, healthier and better place to live. Since opening in 1971, Hard Rock International has been committed to two consistent brand pillars, music and philanthropy. In 2016, Hard Rock International launched the Hard Rock Heals Foundation, a global charity that aims to improve lives through the power of music. Hard Rock's guiding principle, "Love All – Serve All," encompasses the brand's dedication to its core mantras – "Save The Planet," "Take Time To Be Kind" and "All is One."

VIBE

Music is our essence. It can create moods and memories. It can make you move to the floor or tuck you into bed. Music has a powerful effect on creativity. It can make you want to leave, or it can make you want to stay. Ignore it at your peril, as it is our potent brand differentiator and we take it very seriously. Our guests should not leave us and hear the same tracks at the mall or an airport food court that they have heard at our hotels. Hard Rock Hotel playlists are bespoke, lovingly handcrafted by our team of musical magicians. Remember that mix tape you made for your high school crush? Well our DJ's are crushing on our hotels. And their record collections are huge. But love is a two-way street, and that's one reason why our Vibe Managers, whom we refer to as the Visionary Individuals Behind the Experience, at each property are vital. Their input and expertise, their physical presence on the ground, is crucial in properly executing the music program.

MUSIC IS OUR ESSENCE. IGNORE IT AT YOUR PERIL.

ICONIC MEMORABILIA COLLECTION

Hard Rock International is a custodian of music history, a curator of legendary moments, and a bridge connecting generations of fans to the artists they love. At the core of this distinction is Hard Rock's unparalleled memorabilia collection—an ever-expanding anthology of music's most iconic artifacts that transforms each property into a living museum. Unlike any other brand in the industry, Hard Rock infuses the spirit of music and entertainment into every guest experience, making memorabilia not just a feature but the heartbeat of its identity.

Each piece in Hard Rock's collection tells a story. Whether it's a handwritten lyric sheet, a custom stage outfit, or a well-worn guitar, every artifact carries with it an emotional resonance that transcends its physical form. As Rod Stewart famously sang, "Every picture tells a story," and the same is true for the memorabilia that adorns the walls of Hard Rock properties. When guests encounter a guitar once strummed by an artist they adore or a jacket worn onstage during an unforgettable concert, they are instantly transported to a moment in time. The emotional connection between music and memory is what makes memorabilia invaluable—it is measured not in monetary terms, but in the emotions and nostalgia it evokes.

For the full body benefit, this treatment begins with a cleansing shot of ginger tea to jumpstart your detox process, followed by a brisk, rhythmical sweetgrass-inspired dry brushing. Following our detoxifying wrap to nourish your skin, the 50-minute Synchronicity massage and cleansing facial mask complete the treatment. A refreshing shot of Rock Spa® Detox Tea is then served to keep you in a state of *ahhh* even longer.

At Rock Spa® we understand that a life in balance is often lived on the outer edges of healthy and hectic. We get it... LIVE HARD, PURIFY HARDER.
