OUR ROOTS

In 1971, two shaggy-haired Yanks opened an American diner in an old Rolls Royce dealership in London. It had nothing to do with market studies or target audiences. It didn't even have anything to do with memorabilia. That was just a goof: Clapton wants to save his favorite table - sure, we'll put the guitar on the wall. For more than 50 years, we've been saving tables for our musician friends & millions upon millions of their fans at Hard Rock's many Cafes and unique Hotels located worldwide.

LIVING OUR MOTTOS

While music is the heart of Hard Rock, philanthropy is its soul, and Hard Rock International is committed to making a difference through a wide variety of philanthropic causes and activities. For over 50 years, Hard Rock International has made it both its business and its abiding passion to make the earth a safer, healthier and better place to live. Since opening in 1971, Hard Rock International has been committed to two consistent brand pillars, music and philanthropy. In 2016, Hard Rock International launched the Hard Rock Heals Foundation, a global charity that aims to improve lives through the power of music. Hard Rock's guiding principle, "Love All - Serve All," encompasses the brand's dedication to its core mantras - "Save The Planet," "Take Time To Be Kind" and "All is One."

VIBE

Music is our essence. It can create moods and memories. It can make you move to the floor or tuck you into bed. Music has a powerful effect on creativity. It can make you want to leave, or it can make you want to stay. Ignore it at your peril, as it is our potent brand differentiator and we take it very seriously. Our guests should not leave us and hear the same tracks at the mall or an airport food court that they have heard at our hotels. Hard Rock Hotel playlists are bespoke, lovingly handcrafted by our team of musical magicians. Remember that mix tape you made for your high school crush? Well our DJ's are crushing on our hotels. And their record collections are huge. But love is a two-way street, and that's one reason why our Vibe Managers, whom we refer to as the Visionary Individuals Behind the Experience, at each property are vital. Their input and expertise, their physical presence on the ground, is crucial in properly executing the music program.

MUSIC IS OUR ESSENCE.
IGNORE IT AT YOUR PERIL.

ICONIC MEMORABILIA COLLECTION

Hard Rock International is a custodian of music history, a curator of legendary moments, and a bridge connecting generations of fans to the artists they love. At the core of this distinction is Hard Rock's unparalleled memorabilia collection—an ever-expanding anthology of music's most iconic artifacts that transforms each property into a living museum. Unlike any other brand in the industry, Hard Rock infuses the spirit of music and entertainment into every guest experience, making memorabilia not just a feature but the heartbeat of its identity.

Each piece in Hard Rock's collection tells a story. Whether it's a handwritten lyric sheet, a custom stage outfit, or a well-worn guitar, every artifact carries with it an emotional resonance that transcends its physical form. As Rod Stewart famously sang, "Every picture tells a story," and the same is true for the memorabilia that adorns the walls of Hard Rock properties. When guests encounter a guitar once strummed by an artist they adore or a jacket worn onstage during an unforgettable concert, they are instantly transported to a moment in time. The emotional connection between music and memory is what makes memorabilia invaluable—it is measured not in monetary terms, but in the emotions and nostalgia it evokes.
