# STORY OF THE VAULT

## WINE CELLAR

In our search for quality labels, we have identified wines of many different varieties and have chosen to feature the ones that either best represent that variety or represents a great winery and its wine-making traditions.

The wine list has been compiled bearing in mind the diversity of labels and wine making styles that exist, some boutique wine makers from California to Marlborough have been featured along with the great houses of Bordeaux and the villages of Burgundy.

Our band will be delighted to recommend or assist you with your selections.

“In Vino Veritas”

We truly hope you enjoy your wine experience.

Note: We cannot guarantee the availability of specific vintages and if one vintage becomes exhausted, we reserve the right to substitute with the next available one.

# CHAMPAGNE

Champagne is the queen of sparkling wines. Although many sparkling wines are made by the famous “method traditionnelle” they do not have the quality and elegance of the best Champagne.

Only sparkling made in Champagne region can be called as Champagne. All champagnes are recognized for their specific taste; the better houses have hundreds of years of experience in blending Champagnes and there has always been a lot of secrets surrounding blending recipes and production methods.
