An extraordinary bi-level entertainment event space which is located on the sub-level and accessible from the street. It features capabilities for a stage, live performance, or DJ with state-of-the-art audio-visual components. The Venue has cabaret style seating with leather banquettes, solid wood cocktail tables, high top tables and a built-in bar located on each level. Ideal for weddings, product launches, gala dinners, fashion shows, and more.

- Built-in 16x26 LED Wall
- In-house sound system using Midas M32R
- Customizable light palette using Martin Era 800
- Fully stocked bars on each floor
- Customizable LED screens above bars
- Pre-function space on both floors (ideal for step + repeats or red carpets)
- Entry foyer on the main floor
- Private entrance with dedicated elevator bank
- Green room
- Coat check
- Restrooms on each floor
